PROFESSIONAL SUMMARY

Experienced Graphic Designer

Dedicated graphic designer with 3+ years of professional experience in the field. Proficient in Adobe Creative Suite, Illustrator, Photoshop, After Effects, Adobe indesign, as well as Microsoft PowerPoint, Word, and Excel. Recognized with 'The Stormtrooper Award' in QBR 2022 for unwavering dedication and team support.

Passionate about the world of illustration, art, and motion graphic design with a flair for animation. Committed to creating visually captivating designs that tell stories and engage audiences. Eager to bring creativity and innovation to every project while consistently meeting client and brand objectives.

WORK EXPERIENCE

Graphic Designer | (Aug 2020 - Nov 2023)

At Near, the global leader in privacy-led Data Intelligence, curating vast sources of information, As a Graphic Designer, I excelled in a variety of projects, showcasing adaptability and commitment.

Expanding my skills to include After Effects, I created animations for websites and branding. Proficient in Adobe Creative Suite, Illustrator, Photoshop, After Effects, and Microsoft Office. With a passion for illustration, art, and motion graphics, I'm dedicated to crafting captivating designs that align with client and brand objectives. With colabration with UI UX, I have worked on many website projects and created many webpage that are currently running in the 'near' website. I have been contributing to Near Intelligence since Aug 2020.
